Expression of Interest invited from licensed companies/firms for collection and resourcing of surplus plasma from Govt. Blood Banks Hospitals of Assam for a period of three year.

Eligibility:

The eligibility will be assessed against evidence of skills and experience in fractionating/ collection of plasma from Blood Banks. The company/firm must have valid license from Drug Controller General of India for dealing in Human Blood & Blood Products. The company/firms must have own fractionating facilities (WHO-GMP certified) in India. The derivatives should be fractionated in India for fulfilling the demand of India only. The company must have 3 (three) years experience in fractionation of FFP.

Assessment:

The assessment of firm will be made on the basis of price offered for per liter FFP resourced. The firm will have to sign a MoU with ASBTC initially for a period of 1 (one) year, which will be extended up to a period of 3 (three) years, on the basis of performance of the company/firm. The MoU will be valid for the period of 3 (three) years, if both the parties agreed to continue such engagement.

Requirements:

The EOI should be sent along with a Capability Statement including a profile of the organization relevant technical and geographical location. Any EOI with inadequate information, those which do not meet the above criteria, or those received after the closing date will not be short listed. EOI should be as concise and focused as possible to give evidence of the above requirements including the capability statement and organization profiles. The EOI must reach the undersigned on or before 06th March, 2017. Only organizations, which pass the pre-selection process, will be contacted and invited to submit detailed proposals.
